Give them the grace of humility to seek the truth honestly and then the courage to follow the kindly light wherever it leads. Break down every will that is stubborn against Thee or that has ignored Thee. Be with us when we are not sure what is the right thing to do; but be with us even more when we know very well what is right but do not want to do it. In the name of Jesus Christ our Lord. Amen.

An examination for landscape irrigators shall be given at the same time and place and in the same manner as an examination for landscape architects is given under Subsection (a) of this section, and the fee for such examination shall be \$50.

"Section 6. RECIPROCAL PROVISIONS. The board may certify for registration without examination an applicant who is legally registered as a landscape architect or irrigator in any state or country whose requirements for registration are at least substantially equivalent to the requirements of this state and which extends the same privilege of reciprocity to landscape architects or irrigators registered in this state. Such application shall be accompanied by a fee to be determined by the board.

"Section 7. CERTIFICATES OF REGISTRATION. All certificates of registration shall expire on the 31st day of August of each year, following their issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the secretary of the board to notify every person registered under this Act of the date of expiration of his certificate and the amount of the fee that shall be required for its renewal for one year; such notice shall be mailed at least one month in advance of the date of the expiration of said certificate. Renewal may be effected at any time during the month of July or August of each year by payment of the fee as prescribed and set by the board. The fee for a landscape architect's certificate shall be not less than \$10 nor more than \$50. The fee for landscape irrigator's certificate shall be not more than \$100. Failure on the part of any registrant to renew his certificate annually, and by not later than August 31st, as required above shall not deprive such person of the right of renewal, but the fee to be paid for the renewal of a certificate after August 31st shall be increased 10 percent for each month or fraction of a month that renewal payment is delayed; and provided further, that if such failure to renew shall continue for more than one year after the date of expiration of the registration certificate, the applicant must reapply for registration and must qualify under Section 5 of this Act. All renewal certificates shall carry the same registration number as the original certificate.

"Section 8. REVOCATION AND REISSUANCE OF CERTIFICATES. (a) The board has the power to revoke the certificate of registration of any registrant who is charged with and found guilty of:

"(1) Violations of provisions of this Act;

"(2) The practice of any fraud or deceit in obtaining a certificate of registration;

"(3) Any gross negligence, incompetency, or misconduct in the practice of landscape architecture or irrigation;

"(4) Holding himself out to the public or any member thereof as an engineer or making use of the words 'engineer,' 'engineered,' 'professional engineer,' 'P.E.,' or any other terms tending to create the impression that such registrant is authorized to practice engineering or any other profession unless he is licensed under provisions of Texas Engineering Practice Act or the other applicable licensing law of this state.

"(5) Holding himself out to the public or any member thereof as a surveyor or making use of the words 'surveyor,' 'surveyed,' 'registered public surveyor,' 'R.P.S.,' or any other terms tending to create the impression that such registrant is authorized to practice surveying or any other profession unless he is licensed under the provisions of the Registered Public Surveyors Act or the

other applicable licensing law of this state.

"(b) In determining the truth of any such charges the board shall proceed upon sworn information furnished it by any reliable resident of this state; such information shall be in writing and shall be duly verified by the person familiar with the facts therein charged, and three copies of the same shall be filed with the secretary of the board. Upon receipt of such information the board, if it deems the information sufficient to support further action on its part, shall make an order setting the charges therein contained for hearing at a specified time and place, and the secretary of the board shall cause a copy of the board's order and of the information contained in the written charges to be served upon the accused at least 30 days before the date appointed in the order for the hearing. The accused may appear in person or by counsel or both, at the time and place named in the order and make his defense to the same. The board shall have the power, through its chairman or secretary, to administer oaths and compel the attendance of witnesses before it as in civil cases in the district court, by subpoena issued over the signature of the secretary and the seal of the board.

"Any person who may feel himself aggrieved by reason of the revocation of his certificate of registration of the board, as hereinabove authorized, shall have the right to file suit within 30 days within receiving notice of the board's order revoking his certificate of registration in the district in the county of his residence of the county in which the alleged events relied upon, and grounds for revocation, took place, to annul or vacate the order of the board revoking the certificates of registration, said suit to be filed against the board as defendant, and service of process may be had upon its chairman or secretary. The only issues to be tried in such cause shall be whether such person has been guilty as originally found by the board, which issue shall be by trial de novo, as that term is commonly used in connection with an appeal from the justice of the peace court to the county court, and the substantial evidence rule shall not apply.

"Section 9. VIOLATIONS AND PENALTIES. After the effective date of this Act any person who represents himself to be a landscape architect or irrigator in this state without being registered or exempted in accordance with the provisions of this Act, or any person presenting or attempting to use as his own, the certificate of registration or the seal of another, or any person who shall give any false or forged evidence of any kind to the board or to any member thereof in obtaining or assisting in attaining for another a certificate of registration, or any person who shall violate any of the provisions of this Act, shall be fined not less than \$100 not more than \$500, or be confined in jail for a period not to exceed three months, or both. Each day of such violation shall be a separate offense.

"The attorney general or his assistants shall act as legal advisor of the board and shall render such legal assistance as may be necessary in enforcing and making effective the provisions of this Act, provided, that this shall not relieve the local prosecuting officers of any of their duties under the law as such.

"Section 10. FEES. Every landscape architect shall pay an annual fee as set by the board, but in no event to be less than \$10 nor more than \$50, as provided in Section 7 hereof. Every landscape irrigator shall pay an annual fee as set by the board, but in no event shall it be more than \$100. The fee shall be due and payable on or before August 31 of each calendar year and shall become delinquent on September 1 of each year.

"All sums of money paid to the board under the provisions of this Act, shall be deposited in the treasury of the State of Texas, and placed in a special fund to be known as the 'Texas State Board of Landscape Architect's and Irrigator's Fund.' All expenditures for the administration and enforcement of this Act shall be in the amounts and for the purposes fixed by the general appropriations bill."

"Sec. 2. A person involved in the business of landscape irrigation or yard sprinkler construction at the time this Act takes effect may, within six months after the effective date of this Act, obtain a landscape irrigator's

certificate of registration under Section 1 of this Act without being required to take an examination, but the person must pay the required license fee.

"Sec. 3. The provisions in Section 1 of this Act that a person who is involved in the business of landscape irrigation or yard sprinkler construction must have a landscape irrigator's certificate of registration will not take effect until six months after the effective date of this Act.

"Sec. 4. The fact that the public health and welfare may be endangered by incompetent persons connecting into or onto a potable water supply, and by such reason may contaminate the drinking water of the citizens of this state creates a grave emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and the rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."
